

Our Approach

Our dedicated partner-led team takes a keen interest in the professional practices sector, including solicitors, chartered surveyors and letting agents. Our objective is to transfer the burden of your administrative compliance to us, to enable you to concentrate on managing your practice. Our services include:

Our Services

- Preparation of annual accounts, whether for a sole-trader, partnership or incorporated practice
- Provision of an independent examination and Accountant's Report in accordance with the rules of the relevant professional body e.g. Solicitors' Accounts Rules, RICS Members' Accounts Rules etc
- Tax Return preparation and tax planning for the practice and partners or directors
- Review of management information and Key Performance Indicators
- Production of forecasts and cashflow reports that will enable you to evaluate, improve and develop the efficiency and productivity of your business.
- Review of client accounts and related records and advice on systems, procedures and compliance issues
- Preparation of periodic management accounts
- Confidential payroll preparation and advice on related issues including employee benefits and National Insurance
- Preparation of VAT Returns and advice on VAT issues
- Advice on the implementation of computer systems
- Assistance with the recruitment of legal cashiers and the provision of temporary bookkeeping cover
